STATION DESCRIPTION

NETWORK:Benito

STATION CODE: **CRVO**

STAMPING:CIERVO 1944

TYPE:Disk

CENTER MARK:

COORDINATES: 36.44544°N, 120.48073°W
36°26’43.6"
120°28’50.6"

COUNTY:FRESNO

QUAD:LILLIS RANCH

SET BY:USCGS

PID:GU3496

GENERAL LOCATION:

Station is located about 22 miles NNW of Coalinga on the NW end and highest point of a bare, hilly ridge in the Ciervo Hills.

TO-REACH ROUTE DESCRIPTION:

Exit I-5 at Hwy 33 South (north of exit for Hwy 33 North!). Drive south approximately 1.4 miles to end of grove of trees and turn right. Follow gravel road on left side of grove. At mile 0.6 follow left fork to gate at mile 0.7. At mile 1.3 pass through another gate. At mile 6.3 pass over cattle guard and into ranch yard. Continue straight until you pass through another gate and into San Binito County at mile 6.4 At mile 6.6 pass through break in fence and take faint right fork. At mile 7.0 stay right. At mile 8.8 open wire gate and pass through. Go another .05 mile and turn right. Follow fence road until road turns left, continue to follow fence until it gets too steep. Walk from here. Follow fence up hill until it meets another fence. Follow this fence left 0.2 mile to mark. It’s 0.6 mile from truck to mark with a 650 ft elevation gain.

STATION MARK DESCRIPTION:

Station mark, stamped CIERVO 1944, is a bronze station disk brazed to the top of a 3-inch iron pipe protruding about 3 inches above the surface of the ground. It is located in about the center of the flat summit at the nw end of the ridge.

Reference mark 1, stamped CIERVO NO 1 1944, is a bronze reference disk brazed to the top of a 3-inch iron pipe protruding about 3 inches above the surface. It is at about the same elevation as the station mark.

Reference mark 2, stamped CIERVO NO 2 1944, is a bronze reference disk brazed to the top of a 3-inch iron pipe protruding about 3 inches above the surface. It is at about the same elevation as the station mark.
