QUAD:SLACK CANYON, CA 7.5'

SET BY:CDWR

PID:

GENERAL LOCATION:

About 19 miles (airline) WSW of Coalinga, 13 miles SE of jct of State Routes 198 and 25 in Peachtree Valley, 12 miles E of San Ardo, on the summit of a sparsley timbered hill about 1.5 miles W of Indian Valley.

TO-REACH ROUTE DESCRIPTION:

From the jct of Cal State Hwys 198 and 25 in Peachtree Valley, go S on Peachtree Road for 13.25 miles to "Y" fork, take right fork, Indian Valley Road, and go 2.65 miles to cattle guard, cross cattle guard and go 0.1 mi to wire gate on right (W) on N side of cultivated field, go right thru gate following road along N side of field, passing old barn on right, thru feedlot with wire gate to 3rd wire gate at "Y" road, total of 0.65 mi, pass thru gate and take "Y" fork left uphill for 1.45 miles on main traveled road to bladed turnout, turn sharp right (SE) and go 0.05 mi up N slope to top of hill and station.

STATION MARK DESCRIPTION:

Standard disk. **NOTE** that the main mark, SHADE, which is 7.857 m away, azimuth approximately 70°E of N, is under a tree and may not be suitable for GPS. We need a tie between these to be able to compare with the EDM.

ACCESS NOTES (KEYS etc):

Contact MR. JC EMERY at phone (805) 467-3632 for permission to enter and information about locked gates. Gate combination is 1013.

MISCELLANEOUS INFORMATION:

Good helicopter landing. Landed in 1998. 1998 reference mark missing.
